

## WILLIE NELSON LYRICS

### "Blue Eyes Crying In The Rain"

<sup>D</sup>  
 In the twilight glow I see them  
<sup>A</sup> Blue eyes cryin' in the <sup>D</sup> rain  
 When we kissed goodbye and parted  
<sup>A</sup> I knew we'd never meet again <sup>D</sup>

<sup>G</sup>  
 Love is like a dyin' ember  
<sup>D</sup> Only memories remain <sup>A</sup>  
 Through the ages I'll remember  
<sup>A</sup> Blue eyes cryin' in the rain <sup>D</sup>

<sup>D</sup>  
 Some day when we meet up yonder  
<sup>A</sup> We'll stroll hand in hand again <sup>D</sup>  
 In a land that knows no partin'  
<sup>A</sup> Blue eyes cryin' in the rain <sup>D</sup>

<sup>G</sup>  
 Now my hair has turned to silver  
<sup>D</sup> All my life I've loved in vain <sup>A</sup>  
<sup>D</sup> I can see her star in heaven  
<sup>A</sup> Blue eyes crying in the rain <sup>D</sup>
