[Verse 1]

G Am C G
Rows and flows of angel hair
And ice cream castles in the air
And feather canyons everywhere,
I've looked at clouds that way.
But now they only block the sun,
They rain and snow on everyone.
So many things I would have done
But clouds got in my way.

[Chorus]

G G x1 D Em G x2
I've looked at clouds from both sides now,
From up and down, and still somehow
It's clouds illusions I recall,
I really don't know clouds at all.

[Verse 2]

G Am C G
Moons and Junes and Ferris wheels,
The dizzy dancing way you feel
As every fairy tale comes real;
I've looked at love that way.
But now it's just another show,
You leave 'em laughing when you go
And if you care, don't let them know

Don't give yourself away.

[Chorus]

G G D Em G
 I've looked at love from both sides now,
 From ~~give~~ and take, and still somehow
 G G win lose C D Em
