

For Loving Me

(Walk down to G7 from C)

G7 C G7 Am G
That's what you get for lovin' me That's what you get for lovin' me
C Am D
Well everything you had is gone as you can see
G7 C G7 C
That's what you get for lovin' me.

G7 C G7 Am G
I ain't the kind to hang around with any new love that I've found

C Am D
Cause movin' on's my stock in trade, I'm movin' on

G7 C G7 C
I won't think of you when I'm gone.

G7 C G7 Am G
So don't you shed a tear for me, I ain't the love you thought I'd be

C Am D
I got a hundred more like you, so don't be blue

G7 C G7 C
I'll have a thousand for I'm through.

G7 C G7 Am G
Now there you go you're cryin' again, there you go you're cryin' again

C Am D
But then some day when your poor heart is on the mend

G7 C G7 C
I just might pass this way again.

G7 C G7 Am G
That's what you get for lovin' me That's what you get for lovin' me

C Am D
Well everything you had is gone As you can see

G7 C G7 C
That's what you get for lovin' me.
