If I needed you, would you come to me?
                C        D      G
Would you come to me and ease my pain?

If you needed me, I would come to you
             C        D       G
I'd swim the seas for to ease your pain

          Gsus  G
Well, in the night forlorn, oh, the morning's born
                 C             D       G
And the morning shines with the lights of love

And you will miss sunrise if you close your eyes
             C         D       G
And that would break my heart in two

The lady's with me now since I showed her how
            C     D       G
To lay her lily hand in mine

Loop and Lil agree, she's a sight to see
            C         D       G
A treasure for the poor to find

       Gsus  G
If I needed you, would you come to me?
                   C       D       G
Would you come to me and ease my pain?

If you needed me, I would come to you
              C           D         G
I'd swim the seas for to ease your pain
