

I Live One Day at a Time

Willie Nelson

I live ^{A D A} one day at at time

I dream ^{C#m D E E7} one dream at a time

^{A D A D} Yesterday's dead, and tommorrow is blind

I live ^{A D A} one day at a time

Then you're surprized to ^{D A} see me back at home

^{C#m} You don't know how I ^D miss you when you're ^{E E7} gone

^A Don't ask how long I ^D plan to stay, ^A it never ^D corsed my mind, 'cuz

I live ^{A D A} one day at a time (chorus)

There's a ^{A D A} swallow flying across a cloudy sky

^{C#m} Searching for a ^D patch of sun so ^{E E7} high

^A Don't aks how long I have to ^D ~~follow~~ ^{follow} him

^A Perhaps ~~in time~~ ^D I won't in time, but

I live ^{A D A} one day at a time

I live ^{A D A} one day at a time

I dream ^{C#m D E E7} one dream at a time

^{A D A D} Yesterday's dead, and tommorrow is blind

I live ^{A D A} one day at a time

and I live ^{A D A} one day at a time!
