I've Got A Name (Jim Croce)
Like the pine trees linin' the windin' road
          G
I've got a name, I've got a name
Like the singin' bird and the croakin' toad
          E7
I've got a name, I've got a name
And I carry it with me like my daddy did
                  Bm
                       E7
But I'm livin' the dream that he kept hid
  F#m
  Movin' me down the highway
  Rollin' me down the highway
                                     C \ D
  Movin' ahead so life won't pass me by
Like the north wind whistlin' down the sky
          G
I've got a song, I've got a song
                Α
Like the whippoorwill and the baby's cry
          E7
I've got a song, I've got a song
And I carry it with me and I sing it loud
             Bm
                      Ε7
If it gets me nowhere, I'll go there proud (Chorus)
And I'm gonna go there free
                                  Bm
Like the fool I am and I'll always be
          G
               Α
I've got a dream, I've got a dream
                                                 Bm
They can change their minds but they can't change me
          Ε7
I've got a dream, I've got a dream
Oh, I know I could share it if you want me to
                  Bm E7
If you're going my way, I'll go with you (chorus)
