

LAST KISS by J. Frank Wilson and the Cavaliers 1964

(Lyrics might be a little off, I only had the Pearl Jam remake to compare it to)

Well, [G]where oh where can my [Em]baby be?
[C]The Lord took her [D]away from me.
[G]She's gone to heaven, so I [Em]got to be good,
So [C] I can see my baby when I [D]leave this [G]world.

We were [G]out on a date in my [Em]daddy's car.
[C]We hadn't driven [D]very far.
[G]There in the road, [Em]straight ahead...
A [C]car was stalled, the [D]engine was dead.
[G]I couldn't stop, so I [Em]swerved to the right.
[C]Never forget the [D]sound that night...
The [G] screamin' tires, the [Em]bustin' glass.
The [C]painful scream that [D] I heard [G]last.

Oh, where oh where can my baby be?
The Lord took her away from me.
She's gone to heaven, so I got to be good,
So I can see my baby when I leave this world.

When [G]I woke up, the rain was pourin' down.
There were people standing all around.
[G]Something warm was pouring in my eyes,
But I found my baby somehow that night.
I [G]raised her head, and she looked at me and said,
"Hold me darling for a little while."
I held her close. I kissed her our last kiss.
I found the love that I knew I would miss.
But now she's gone, even though I hold her tight.
I lost my love ... my life, that night.

Well, where oh where can my baby be?
The Lord took her away from me.
She's gone to heaven, so I got to be good,
So I can see my baby when I leave this world.

Ooh ooh ohhh (to the tune of the chorus)

Well, [D]where oh where can my [Bm]baby be?
The [G]Lord took her [A]away from me.
[D]She's gone to heaven, so I [Bm]got to be good,
So [G] I can see my baby when I [A]leave this [D]world.

We were [D]out on a date in my [Bm]daddy's car.
[G]We hadn't driven [A]very far.
[D]There in the road, [Bm]straight ahead...
A [G]car was stalled, the [A]engine was dead.
[D]I couldn't stop, so I [Bm]swerved to the right.
[G]Never forget the [A]sounds that night...
The [D] screaming tires, the [Bm]busting glass.
The [G]painful scream that [A] I heard [D]last.

Oh, where oh where can my baby be?
The Lord took her away from me.
She's gone to heaven, so I got to be good,
So I can see my baby when I leave this world.

When [D]]I woke up, the rain was [Bm]pourin' down.
There were people standing [A] all around.
[D]Something warm was pouring [Bm]through my eyes,
But I found my baby [A]somehow that night.
I [D]raised her head, and she [Bm]smiled at me and said,
"Hold me darling for a [A]little while."
[D]I held her close. I kissed her [Bm]our last kiss.
I found the love that I [A]knew I would miss.
But[D] now she's gone, even [Bm]though I hold her tight.
I lost my love ... my [A]life, that [D]night.

Well, where oh where can my baby be?
The Lord took her away from me.
She's gone to heaven, so I got to be good,
So I can see my baby when I leave this world.

Ooh ooh ohhh (to the tune of the chorus)
