

[D] Woke up this morning [G] put on my slippers *Please Don't Bury Me*
[D] went to the kitchen and [A] died *J. Prine*
And [D] oh what a feeling when my [G] soul went through the ceiling
and [A] on up into [G] heaven I did [D] rise

When I [G] got there they did say you know it [D] happened this-a-way
you slipped upon the floor and hit your [A] head
And [D] all the angels say just [G] before you passed away
[D] These are the very [A] last words that you [D] said

[G] Please don't bury me down [D] in that cold, cold ground
I'd rather have 'em cut me up and pass me all [A] around
[D] Throw my brains in a hurricane and the [G] blind can have my [D] eyes
The [G] deaf can take [D] both of my ears if [A] they don't mind the [D] size

[D] Give my stomach to Milwaukee if [G] they run out of [D] beer
[D] Put my socks in a cedar box just [A] get 'em outta here
[D] Venus de Milo can have my arms [G] Look out! I've got your [D] nose
[G] Sell my heart to the [D] junk man and [A] give my love to [D] Rose

[G] Please don't bury me down [D] in that cold, cold ground
I'd rather have 'em cut me up and pass me all [A] around
[D] Throw my brains in a hurricane and the [G] blind can have my [D] eyes
The [G] deaf can take [D] both of my ears if [A] they don't mind the [D] size

[D] Give my feet to the foot-loose [G] careless fancy [D] free
[D] Give my knees to the needy don't [A] pull that stuff on me
[D] Hand me down my walking cane, [G] it's a sin to tell a [D] lie
[G] Send my mouth [D] way down south and [A] kiss my ass [D] good-bye

[G] Please don't bury me down [D] in that cold, cold ground
I'd rather have 'em cut me up and pass me all [A] around
[D] Throw my brains in a hurricane and the [G] blind can have my [D] eyes
The [G] deaf can take [D] both of my ears if [A] they don't mind the [D] size

[Slowing] the [G] deaf can take [D] both of my ears if [A] they don't mind the
[D] size
