

Run Cold - Holly Golightly - version 2

E A B A x 4

E        A                B    A

I wouldn't be told

E        A                B    A

I couldn't care less

E                A                        B    A

When they said ya run cold

              E                A                B    A

I said I'll run that risk

E                        A                        G    B

They said your love is like ice (I wouldn't be told)

E                A                G        B

And your kisses will freeze (I couldn't care less)

E        A                G    B

Your touch is a lie (When they said ya run cold)

E                A                G    B

I had to feel to believe

I had to!

E A G B    x4

E A B A    x4

E        A                B    A

I couldn't be wrong (To love you is hell)

E                A                B    A

They couldn't be right (To kiss you is pain)

E                A                        B    A

When they said ya run cold (To touch you is to burn)

              E                        A                B        A

I said I'm burnin alive (I had to)

E        A                G    B

Your love is like fire (Your kisses are flames)

E        A                G        B

Your kisses are flames (I wish I'd stayed away)

E        A                G    B

Your touch is a lie (I wish I'd stayed away)

And now I wish I'd stayed away

E                A                G    B

And I wish I'd stayed away (To love you is cursed)

E A G B the rest of the way

To love you is cursed

(And I wish I'd stayed away)

To kiss you is pain

(I wish I'd stayed away)

To touch you is to burn

(I wish I'd stayed away)

My fingers again and again

(I wish I'd stayed away)

Now I wish I'd stayed away

(I wish I'd stayed away)

Now I wish I'd stayed away

(I wish I'd stayed away)

Now I wish I'd stayed away

(I wish I'd stayed away)

Oh how I wish I'd stayed away

I wish I'd stayed away

I wish I'd stayed away)
