

## San Francisco Bay Blues

I got the blues when my baby left me by the San Francisco Bay,  
She took an ocean liner and she's gone so far away,  
I didn't mean to treat her so bad, She's the best gal I ever had,  
She said goodbye gonna make me cry, I'm gonna lay right down and die.  
Well, I ain't got a nickel and I ain't got a lousy dime,  
If she don't come back I think I'm gonna lose my mind,  
If she ever comes back to stay, It's gonna a be another brand new day  
Walking with my baby down by the San Francisco Bay.

Sittin at my back door wondering which way to go,  
Woman I'm so crazy about she don't want me no more.  
Think I'll take me a freight train, cause I'm feeling blue,  
Ride all the way to the end of the line, just a thinkin of you.  
Meanwhile in another city just about to go insane,  
Thought I heard my baby the way she used to call my name,  
If she ever comes back to stay,  
There's gonna a be another brand new day  
Walking with my baby down by the San Francisco Bay.
