

SPEAK TO THE SKY

G
Speak to the sky whenever things go wrong
And you'll know you're not talking to the air, to the air,
D C G
And the world will look better from up there.

G
Speak to the sky cause things can get you down
And you'll know when you're talking to the Lord, to the Lord,
D C G
And the world will look better than before.

##Chorus

D C G
And if I stumble and it seems that I am blind,
D C G
Or the road I'm on seems awful hard to find,
D C G
And though my conversation doesn't always rhyme,
C D
I always try to find some time to..

G
Speak to the sky and tell you how I feel
And you know sometimes what I say ain't right.. it's all right
D C G
Cause I speak to the sky every night. ## Repeat

G
Speak to the sky whenever things go wrong
And you'll know you're not talking to the air, to the air,
D C G
And the world will look better from up there.
D C G
And the world will look better from up there.
D C G
Yes, the world will look better from up there.
