Convention
Tuning: E A D G B E

D **C** **G** **D**
My mind keeps on telling me that this is no good
D **C** **G** **D**
And my heart is aching, that tells me I should
D **C** **G** **D**
But only time will show the wiser
D **C** **G** **D**
I've fallen in love with a girl that's not mine
D **C** **G** **D**
If I take her it will hurt him, a very best friend of
mine
D **C** **G** **D**
But I know that I need someone, to hold, to love
D **C** **G** **D**
And my mind says I shouldn't but my heart says I should
Em **D** **C** **G** **D**
And I don't know which to go by, my mind or my heart
D **C** **G** **D**
And this is so confusing, it's tearing me apart
C **G** **D**
Time, it will show the wiser
D **C** **G** **D**
Well, I wish someone would help me, this decision is
mine
D **C** **G** **D**
And my morals and emotions are hard to combine
D **C** **G** **D**
And there is no easy way out to limit the time
D **C** **G** **D**
That it takes till she finds out for the love that I
hide
D **C** **G** **D**
And I don't know which to go by, my mind or my heart
D **C** **G** **D**
And this is so confusing, it's tearing me apart
C **G** **D**
Time, it will show the wiser
C **G** **D**
Time, it will show the wiser
C **G** **D**
Time, it will show the wiser
