

# I Used To Love Her

## Guns and Roses

(In the original song they tone the guitars half step down...  
like they always do so do it and it will sound better.)

Intro - D A G A x 2

D            A            G  
I used to love her  
                         A  
But I had to kill her  
D            A                            G  
I used to love her, Mm, yeah  
                         A  
But I had to kill her  
G            A            G            A  
I had to put her six feet under  
G            A            G            D  
And I can still hear her complain  
D            A                            G  
I used to love her oo, yeah!  
                         A  
But I had to kill her  
D            A                            G  
I used to love her oo, yeah!  
                         A  
But I had to kill her  
G            A  
I knew I'd miss her  
G            A  
So I had to keep her  
G            A            G            D  
She's buried right in my backyard!!!  
G            A            G            D  
Oh yeah, oo yeah, whoa, oh yeah
