

Poison Ivy  
by Lieber and Stoller

E            E-D-E    E            E-D-E

E                            E-D-E  
She comes on like a rose  
E                            E-D-E  
but everybody knows  
E                            E-D-E  
she'll get you in Dutch  
E  
you can look but you'd better not touch

*Chorus:*

C#m                            G#7  
Poison Ivy    Poison Ivy  
C#m  
Late at night while you're sleeping  
G                            C#m            B  
Poison Ivy comes creeping around this town

E                            E-D-E  
She's pretty as a daisy  
E                            E-D-E  
but look out man she's crazy  
E                            E-D-E  
she'll really do you in  
E                            E-D-E  
if you let her get under your skin

*Bridge:*

A  
Measles make you mumpy  
  
and mumps will make you lumpy  
E  
and chicken pox will make you  
  
jump and switch  
A  
A common cold will fool you  
  
and whooping cough can cool ya  
B  
But Poison Ivy lord will make you itch
